ROOSEVELT AND CHURCHILL MAP PLANS FOR SECOND FRONT

Allied Situation on Both Libyan Desert And Crimean Fronts Continues Hazardous

Sevastopol Holds As Siege Tightens On Tobruk Armies

By the Associated Press

The situation remained hazardous on both the Libyan desert and Crimean fronts, but overnight developments indicated that the Russian defenders of Sevastopol were still holding stoutly against the German siege armies and there was no confirmation of the Nazi high command's claim that Axis troops had smashed their way into Sevastopol's fortifications.

"The heroic defenders of Sevastopol courageously and staunchly beat off numerous German attacks," Red army headquarters said.

On the North African front, British headquarters announced that Lieut.-Gen. Neil M. Ritchie's armies were holding strong positions on the Libyan-Egyptian frontier and in the Tobruk sector, 80 miles to the west.

It was clear, however, that a new siege of Tobruk had begun, with the thunder of heavy gun-fire rolling along the perimeter of Tobruk's outer fortifications as the Axis moved up great 210 millimeter guns—the largest mobile weapons ever used in the desert warfare.

The Italian high command said Axis spearheads were already in contact with Tobruk's outer defenses, while the Germans declared that Marshal Erwin Rommel's armies had completed encirclement of the historic fortress on the shores of the Mediterranean.

Tobruk has been in British hands since Jan. 22, 1941, when 25,000 Italians surrendered there, and successfully withstood eight months of assault by Axis siege armies.

On the Kharkov front in Russia, drenching thunderstorms slowed the fighting, but a Soviet communiqué said Red army troops had killed more than 1,000 Germans and destroyed nine tanks in three days.

Military dispatches said Field Marshal Fedor Von Bock's offensive which began June 10, was restricted to a 15-mile sector.

High Chinese quarters declared that Japan had massed nearly 1,000,000 troops in Manchuria and said new advances indicated that the Japanese planned to strike at Russian Siberia some time in July.

Neutral observers, however, estimated that the Japanese would advance (Turn to Page Seven)

Life Term Is Given Model

New York, June 19.—(P)—Madeline Webb, 28-year-old Stillwater, Okla., model, was sentenced today to life imprisonment for her part in the murder of Mrs. Susan Flora Reich, wealthy Polish refugee.

She displayed no emotion as the judge imposed the sentence for the Hotel Sutton murder last March 4. She walked from the courtroom almost haughtily.

Her lover, Eli Shonbrun, and John D. Cullen convicted with her, were sentenced by General Sessions Judge Jonah J. Goldstein to die in the electric chair during the week of July 17.

Miss Webb had been convicted of first degree murder with no recommendation made for Cullen and Shonbrun, making imposition of the death penalty mandatory.

WAR BULLETINS

Washington, June 19.—(P)—The navy announced today that a small United States merchant vessel had been shelled and sunk by an enemy submarine in the Caribbean and that survivors had been landed at an east coast port.

Berlin (From German Broadcasts), June 19.—(P)—Adolf Hitler ordered Reichsmarschal Hermann Wilhelm Goering to form a "new Reich research board," through which leading scientists were asked "to impart their expert advice for the common good and the successful conduct of the war."

Istanbul, Turkey, June 18.—(Delayed)—(P)—A Bucharest resident who saw United States bombers over the Rumanian capital in broad daylight said today it was reported in Bucharest that they had raided Constanta, Rumania's chief Black Sea port, as well as the oil center of Ploesti.

Chungking, June 19.—(P)—High Chinese quarters asserted today that fresh, private information just received here convinced them that Japan intended to strike at Siberia some time in July.

Santa Monica, Calif., June 19.—(P)—Will Rogers, Jr., son of the humorist, enlisted in the army as a private yesterday. A reserve second lieutenant in the artillery, he said he was tired of waiting to be called up.

Vichy, June 19.—(P)—Another German troop train has been wrecked by saboteurs in occupied France and attempts at sabotage have been made against two other trains, it was disclosed today.

FEUD FLARES OVER INQUIRY INTO THE WPB

Military Affairs Committee Accused of Rushing Out Report on Dollar-a-Year Men

CRITICISMS ARE BITTER

BY EDWIN B. HAAKINSON

Washington, June 19.—(P)—A feud between senate and house committees over investigation of the war effort flared up today with a charge by Senator Brewster (R-Me) that a house military affairs sub-committee had "rushed out its report on dollar-a-year men to try and get a scoop."

Brewster, a member of the special senate committee appointed to investigate national defense, said in an interview this was the second time that the house investigating group had tried to beat the senate group with a report, the other instance "being aluminum production and its report that everything was o. k."

(War Production Board officials disclosed today that last summer's aluminum collection had netted only 6,400,000 pounds of the metal as compared with the 15,000,000 pounds which had been expected.)

Brewster and Chairman Truman (D-Mo) told the senate yesterday that they had been asked to hold up their report criticizing delays by the War Production Board and dollar-a-year men and that during the interval the house group released its report giving the business executives a "clean bill of health."

The house finding was issued, Brewster said, while Chairman Donald M. Nelson of the War Production Board was attempting to convince the senate committee it should delay issuance of its own report. This, he added, was possibly more than an "interesting coincidence."

ROSS SAYS HE SPENT SUM LESS THAN \$50

Harrisburg, June 19.—(P)—F. Clair Ross, state auditor general and Democratic gubernatorial nominee, listed primary campaign expenses of less than \$50 in a report to the state elections bureau.

His running mate, Elmer Kilroy, reported \$1,500 expenses and no receipts in his successful bid for the Democratic lieutenant-governorship nomination.

The Davis-for-governor committee of western Pennsylvania noted \$24,555 receipts and expenditures in the unsuccessful campaign to nominate U. S. Senator James J. Davis as the Republican candidate for governor.

Sticker Plan Adopted For Gas Rationing

Washington, June 19.—(P)—To nip any chiseling under the permanent eastern gasoline rationing system starting July 15, every automobile will have to carry a colored sticker showing the type of rationing book held by its driver, the Office of Price Administration announced today.

Those holding the basic A cards will receive, at the time the cards are issued, a black sticker with a large "A" printed on it in white and the words "gasoline rationing" below. "B" stickers will be green, "C" stickers red and "S" stickers, for commercial vehicles, brown.

Joel Dean, chief of OPA's fuel rationing branch, said he expected the sticker system to "prove an effective deterrent against any person obtaining and using gasoline ration books to which he is not entitled, inasmuch as he will come under constant scrutiny."

Another disclosure today was that a retail price increase on gas—(Turn to Page Seven)

BRENDA EXPECTING STORK

Hollywood, June 19.—(P)—Brenda Joyce is interrupting her film career and spurning an offer of stardom to become a mother. Miss Joyce said she expects a baby in November. In the meantime she intends to spend a few weeks visiting her husband, Lt. Owen Ward, at Camp Roberts, Calif.

Axis Call Meeting "Political Gesture"

New York, June 19.—(P)—Axis broadcasts sought today to pass off Prime Minister Churchill's second wartime visit to the United States as a "political gesture" of no real significance.

The Berlin radio took the tack that "Churchill's sudden journey to America is new proof of the weakness of England." It sought to develop the notion that Churchill hoped to "induce Roosevelt to consent to a greater effort by the United States regarding both men and material since England alone was unable to satisfy (Soviet Foreign Commissar Vyacheslav) Molotov's renewed demand for establishment of a second front."

The broadcasters were quick to echo this German explanation of the meeting and added that "the outcome of the war did not depend on such begging visits, but would be decided by force of arms."

Gestapo End Is Written To Assassination

German Story of Executing Killer of Heydrich Scouted in London

PLOTTERS INCLUDED

London, June 19.—(P)—Heinrich Himmler's gestapo wrote a typical gestapo ending to the assassination of Germany's notorious "hangman," Reinhard Heydrich, by announcing that his killers had been found in a Prague church yesterday and were "shot while resisting arrest."

The official German announcement said the two men accused of fatally wounding Heydrich near Prague May 27 and others involved in the crime were "Czech Nationals who were dropped from British planes over the protectorate with orders to commit murder."

The British Broadcasting Corporation, in a broadcast to dismembered Czechoslovakia from London, said the Germans "decided to discover" the plotters after their threats of heavy reprisals failed to move the Czechs to co-operation.

The BBC pointed out that word that the killers had been "discovered" came two hours after the expiration of an ultimatum to the Czechs to deliver the killers or suffer the consequences.

The official German announcement said the two Czechs had been hiding in the church "for some time." An announcement from the German-controlled Prague radio reported that, in addition to killing the actual assassins, "it was possible to dispose of their closest aides and abettors."

Previously in reprisals for Heydrich's assassination, the Germans executed some 252 persons, mostly (Turn to Page Thirteen)

TOT CRUSHED UNDER TRUCK

Clearfield, June 19.—(P)—Patricia Ann, year-old daughter of Mr. and Mrs. W. O. Weber, of nearby Shiloh, was crushed to death today under the wheels of a truck her father was backing from a garage.

Dr. E. S. Ehrhart, Clearfield county coroner, reported, Dr. Ehrhart said there would be no inquest.

Middies Hear Head of Fleet

Annapolis, Md., June 19.—(P)—Admiral Ernest J. King, commander-in-chief of the U. S. fleet, told the graduating class at the Naval Academy here today that the United States could win this "the greatest war in history," only at the cost of "unremitting labor and a multitude of heartaches and sacrifices such as this country has never before known."

"The fleet commander said it was an appropriate time to quote Prime Minister Churchill's: 'I have nothing to offer you but blood, toil, sweat and tears,' and added:

"But victory will bring not only the preservation of our own freedom and the restoration of the lost liberties of uncounted millions, but also the firm confidence that when we have won this war, we Americans, under the leadership of the president, will take steps (Turn to Page Seven)

CONTENTION OVER BILL TO PAY BENEFITS

Controversy Threatens to Balk Approval of Measure to Reimburse Civilian War Casualties

AMENDMENTS OFFERED

Washington, June 19.—(P)—A sharp disagreement among senators threatened today to balk administration efforts to obtain congressional approval of a bill providing for the payment of benefits to civilian war and blackout victims.

Opposition developed among both Democrats and Republicans to a measure, approved by a half dozen government agencies including the budget bureau, which would authorize monthly cash benefits of from \$10 to \$85 for disability, death or capture as the result of enemy action. Similar benefits would be paid for civilian casualties in practice blackouts.

Chairman George (D-Ga) announced that he would seek to have the measure sent to the senate finance committee for a thorough study of its "pension" aspects, since payments would continue five years after the war. Passage of the bill previously was recommended by the education and labor committee and sponsors summoned sufficient votes yesterday to beat off the first of a series of amendments offered by Senator Taft (R-Ohio).

The senate rejected, however, 34 to 26, a proposal by Taft to exclude civilian defense agency workers from compensation under the act. Taft argued that a new principle which never before had been involved in the proposal to pay compensation to civilians for war injuries. It might be all right, he said, for the whole country to share in bearing the burden of a token air raid, but it was going too far to pay claims of persons who might be injured if they were hit by a car in a blackout.

On the other hand, Senator Thomas (D-Utah) argued that in total apical war all must share the burdens of those who might become its direct victims.

PRISONER IN COURT DRINKS FATAL DOSE

Johnstown, June 19.—(P)—Frank Heskio, 51, of Barnesboro, who interrupted a hearing before Justice of the Peace Thomas McCarty on a surety of the peace charge by drinking a bottle of acid, died yesterday, Coroner Patrick McDermott reported.

McCarty said Heskio, a miner, had been accused of threatening to burn down his home, following an argument with his wife.

Gripsholm To Return Many U. S. Officials

Washington, June 19.—(P)—The Swedish motorship Gripsholm sailed from New York last night with 1,097 Japanese and Thai nationals from the western hemisphere to exchange in neutral territory for American officials and newspapermen who have been interned in Asia.

The Gripsholm will stop at Rio de Janeiro to take aboard 403 additional Japanese from Brazil and Paraguay and then proceed to Lauro de Moura, Portuguese East Africa.

Ambassador Joseph C. Grew and other officials and newspapermen of the United States, other American republics and Canada, who have been interned in Japan, occupied sections of China, and other places will be taken to the East African port by the Japanese steamer Asama Maru. The Gripsholm will bring them home.

List of newspapermen on the M. East to be repatriated on the M. S. Gripsholm included: Joseph W. Alsop, Jr., N. Y. Herald Tribune; Hong Kong; Joseph Dynans, Associated Press, Tokyo; Morris J. Harris, Associated Press, Shanghai; Max Hill, Associated Press, Tokyo; Victor Keen, N. Y. Herald Tribune, Shanghai; Vaughn F. Meisinger, Associated Press, Hong Kong; Reiman Morin, Associated Press, Saigon; Otto D. Tolischus, New York Times, Tokyo; I. D. White, Associated Press, Shanghai; Mrs. White, wife, Shanghai.

More Pay For Steel Workers Is Discussed

Leaders in Industry Say Increases May Total \$200,000,000 Year

FINDINGS SUBMITTED

BY MARBEN GRAHAM

Pittsburgh, June 19.—(P)—Leaders in the steel industry are "studying" themselves for a general wage increase, which some estimate will amount to almost \$200,000,000 a year and become effective within 60 to 90 days.

Nearly all executives with whom the situation was discussed today said they believed the War Labor Board would grant a substantial pay boost in the pending "Little Steel" case and that it "will have to be accepted" by the entire industry.

The CIO United Steel Workers of America asked for a \$1 a day increase and a union shop agreement from the "Little Steel" group of Bethlehem, Republic Inland Steel and the Youngstown Sheet and Tube Company.

The board's fact-finding panel last week submitted a draft of its preliminary finding to the litigants and they rebutted in Washington on Tuesday.

Informed sources said the finding suggested the union was entitled to the boost because the cost of living has increased 12 1/2 per cent and more in steel towns since the last 10 cents an hour increase more than a year ago, and because workers in other durable goods industries are getting more pay per week, if not per hour.

The panel will submit its final report June 25 and the board will start a public hearing on June 26. An increase of \$1 a day or 2 1/2 cents an hour would amount to about \$165,000,000 a year based on the industry's current payroll of approximately 650,000 workers, with overtime rates adding more. The present minimum wage is 72 1/2 cents an hour.

Steel men said the government, indirectly, would pay for most of this increase in diminished returns from the corporation's excess profits taxes, unless the operators are permitted to boost prices.

UNIONTOWN TO HAVE BLACKOUT ORDINANCE

Uniontown, June 19.—(P)—City council, aroused by the ineffectiveness of a surprise blackout held Tuesday night, passed on first reading yesterday an ordinance to put teeth into air raid blackout regulations.

It provides a fine of \$100 and costs for failure of residents to co-operate with air raid wardens, city police, firemen or auxiliary police during a blackout. A 30-day jail term can be imposed if the fine is not paid within 10 days.

Council will meet Monday to give the measure final approval.

CIVIL WAR VETERAN STILL READY TO FIGHT

Uniontown, June 19.—(P)—In case the A. E. F. needs any help, Al W. Gabrio, of Hazleton, 96-year-old Civil War veteran, says he's still ready to lead a charge against the enemy.

Gabrio, retiring state commander of the G. A. R., told the Sons of Union Veterans at the close of their convention yesterday:

"I only wish I could form two companies of men from this assemblage. I feel sure they could lick any regiment of Japs we could find."

New Raid On Port Moresby

Allied Headquarters, Australia, June 19.—(P)—Attacking for a third time in the past three days, Japanese heavy bombers this time 18 strong with a formidable fighter escort struck today at Port Moresby's harbor installations. It was the 62nd raid on the Allied base in New Guinea.

The Allied fighters based there were reported to have been outnumbered by the enemy but the defenders delivered strong opposition. One Allied pilot attacked three enemy fighters, broke up one with his cannonfire and saw another go diving with smoke pouring from the motor.

Fateful Decisions Hang in Balance As Leaders Confer

By ROGER D. GREENE
Associated Press War Editor

Fateful decisions hung in the balance today as Prime Minister Churchill, arriving in the United States for the second time in seven months, conferred with President Roosevelt on win-the-war strategy and presumably on the urgency of creating a second front in Europe.

The urgency was high-lighted as Adolf Hitler's field headquarters asserted that German shock troops, scoring "decisive success," had pierced the last northern defense lines in the siege of Sevastopol.

MIDDLE EAST MAIN BASTION LONDON SAYS

Extreme Gravity of Libyan-Egyptian Situation May Have Caused Visit Of Premier

OFFENSIVE IS FEARED

BY ROBERT BUNNELLE

London, June 19.—(P)—One of the main purposes of Prime Minister Churchill's current visit to Washington is believed in some quarters to be enlistment of additional United States help in holding the middle east against expected German thrusts from Libya toward Egypt and from the Russian Ukraine into the Caucasus.

The extreme gravity of the Libyan-Egyptian situation was viewed today by competent sources as likely to postpone until 1943 any really big United Nations land offensive in western Europe, although commando raids may be increased.

The hit-and-run raids would meet the clamor for a second European front now something which the British man-in-the-street hopes will result from Churchill's newest Washington visit.

Strategists know that Egypt must be held if the Allies are to bar Hitler from the middle eastern oil fields and they know that it is the main bastion against Nazi union with the Japanese somewhere east of Suez for a sharing of the riches of the Indies and a cutting of Allied supply lines to southern Russia.

The presence of American army bombers and other war equipment in this theatre proves President Roosevelt's regard for the importance of Egypt and the Suez Canal, just as the successes of the Axis Libyan commander, Marshal Rommel, prove that the present forces in the Middle East still are not enough for safety.

From a purely military standpoint Rommel's success means:

1. The British may have to divert some troops and thus leave (Turn to Page Seven)

Gabrio, retiring state commander of the G. A. R., told the Sons of Union Veterans at the close of their convention yesterday:

Rubber Bonanza Is Found in Field On Edge Of Shamokin

Shamokin, June 19.—(P)—Men, women and children stood guard over a fast-diminishing store of abandoned rubber in a nearby scrap pile today, determined to keep others away until the last bit of the vital war material is salvaged from the almost forgotten heap. Latecomers found lean pickings but the parade of trucks, wagons, wheelbarrows and even baby carriages continued as whole families concentrated on recovering the rubber, salable at one cent a pound in the nation's salvage drive.

The bonanza was found by two small boys in a field on the western edge of this mining community. As word of the find spread, excited "prospectors" flocked to the pile and independent miners de-

serted their holes.

The rubber is owned by the nearby Heitzman Manufacturing Company, which abandoned it two years ago. In the form of blasting plugs for mine work, it was discarded when the firm began using asbestos for raw material.

No estimate of the amount in the pile was available but one man said he obtained 3,000 pounds, another unearthed 2,500 and a third said he carted away a ton. As far as officials were concerned, it was "finders-keepers."

Meanwhile another rubber "strike" was being exploited in Philadelphia. In the basement of an old tire plant which burned four years ago, children, at play, found remnants of a stock estimated at 10,000 damaged tires.

Local Pastor Will Become Army Chaplain

Rev. Edward K. Rogers, pastor of the First Lutheran church, who received on June 2 his lieutenant's commission as chaplain in the United States Army, will leave Saturday evening for Indiantown Gap Military Reservation.

The first Warren county pastor to enlist or be called for service, Lt. Rogers expects to remain at Indiantown Gap chaplain's school for a month or more before being assigned to regular duty.

The young pastor came here in March, 1936, from Grace Lutheran church in Franklin, to which he had gone in 1931 after serving as assistant pastor at First church, Pittsburgh. He was graduated from Thiel College in Greenville.

and completed his theological training at Mt. Airy Seminary in Philadelphia.

He has been active in community affairs since coming to Warren and will be greatly missed in many circles. At its last meeting, the Warren County Ministerial Association authorized its secretary to express to the departing pastor its feeling of great loss and best wishes for his success in his new phase of work.

Mrs. Rogers and two daughters, Jane and Rebekah, will remain in Warren during Pastor Rogers' absence. Granted a leave of absence by his congregation, the pulpit there will be filled by visiting speakers for the time being.

SYMPHONY TRYOUTS

Director Harry A. Summers has requested that all musicians having symphony orchestra experience will attend tryouts for the community symphony at seven o'clock Monday evening at Beatty school, to start rehearsal for a concert on July 12. Massed band rehearsal last evening, for a June 29 concert at Beatty school, proved very satisfactory.

Public Invited to Inspect New Court Room This Evening

Warren county residents who took advantage of the invitation to inspect the improvements in the large court house last evening are loud in their praise of the work that has been accomplished. County officials had invited public inspection last night and tonight.

Attention is called to the fact that the room will be open again this evening and every citizen of the borough and county is urged to call and look over the improvements. The "open house" will start at seven o'clock and continue until all visitors have had an opportunity to go through the building.

Alter Russell Fire and Air Raid Signals

It was announced today that the Russell Fire Department has completed action changing the air-raid and fire signals for Russell and area.

According to the reports, it has been officially decided that hereafter an air-raid warning will be recognized by a series of short blasts on the fire siren over a period of approximately two minutes and the all-clear signal will be for the same length of time but will be merely one long blast on the siren.

The fire signal in the future will be a series of longer blasts than those signifying an air-raid warning, and similar to the old signal for out-of-town fire calls, it was stated.

It was not disclosed whether or not a trial test of the new signals would be made in the near future, but the air-raid warning signal will be used probably for the first time during this district's first all-night blackout next Thursday.

Presbyterian Church Picnic Next Monday

Members of the Sunday school of the First Presbyterian church are looking forward to the annual Sunday school picnic which will be held tomorrow afternoon at Island Park in Youngsville.

A full afternoon of sports and activities has been arranged beginning with a baseball game at two o'clock. This will be followed by a program of sports and contests for children of all ages, some 27 events having been scheduled. Such contests as the "100 inch dash," "Ant hill contest," "penny scramble" and many others will occupy the afternoon hours. Prizes for all winners will be awarded by the committee.

The Married Couples Club of the church is in charge of the picnic. Clayton Bannon, Roy Kerr, Brackett Ayers and Kenneth Davis are in charge of the sports activities. John Swick is refreshment chairman and D. E. McComas in charge of transportation. It was announced by Mr. McComas this morning that those who need transportation should be at the church tomorrow afternoon between 2 and 2:30, where cars will be provided. Those members of the church who have offered their cars, or those who have room in their cars for additional passengers, should drive by the church between this period and pick up as many as they can.

A balloon ascension is on the program for 6 o'clock. At 6:30 the entire group will sit down to the picnic supper. Ice cream, coffee and cream will be furnished by the committee and soft drinks will be served by the committee during the afternoon. A vesper service will follow the picnic supper about 7:15.

It was announced that those in charge of the skating rink at Island Park will have it open tomorrow from 7:30 to 10:00 p. m. to take care of any of the group who desire to enjoy a period of skating. Regular admission charges will prevail and it is expected that a number of the young people will wish to enjoy an hour or two of skating before returning home.

It was announced at the church office this morning that those classes wishing to have their picnic supper together should make table reservations and arrange their tables at an early hour in the afternoon. All persons attending who will have need for sugar for any purpose at the evening meal are requested to bring their own.

Members of the church and Sunday school will also be glad to learn that Mr. and Mrs. Telford Eppley, formerly of Warren and now living in Erie, will be on hand tomorrow, coming from Erie to spend the afternoon and evening with former friends of the church.

To Be Speaker

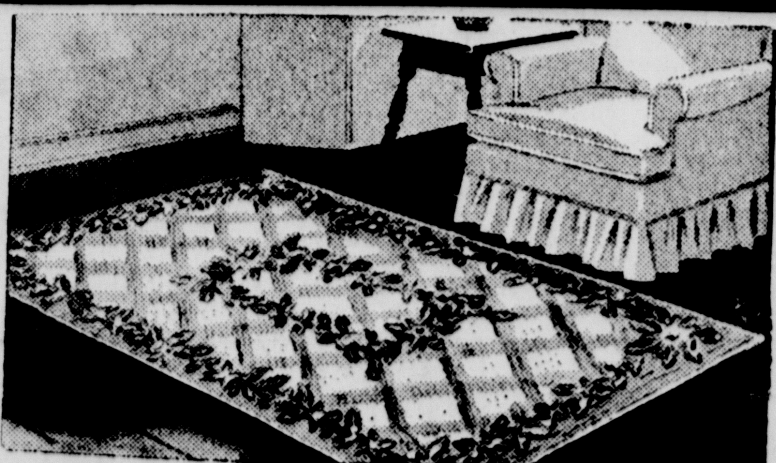

W. G. Hillen, manager of the International Division of Carrier Corporation, who has spent nine years in Japan and the Eastern Theatre of war will speak at the Twelfth Annual Western Pennsylvania Industrial Conference to be held at the Hotel Schenley, Pittsburgh, on Saturday, June 20. The conference is sponsoring by the Young Men's Christian Association. Mr. Hillen's subject will be "Why We Must Produce to Beat Japan."

Industrial Workers of the County Giving to War Chest

A. A. Albaugh, industrial chairman of the Warren County War Chest, reported today that through the efforts of his division informational material has been distributed in the plants of the following county industries: Barnhart Davis, Bell Telephone, DeLuxe Metal Furniture, Emblem Oil Company, Hammond Iron Works, Pennsylvania Electric Company, Pennsylvania Furnace & Iron, Pennsylvania Gas Company, Pennsylvania Railroad Company, Phenix Furniture Company, Royal Manufacturing Company, Sherwood Refining Company, Struthers-Wells, United Refining Company, Walker Creamery Products, Warren Axe & Tool, Warren Baking Company, Warren Gear Company, Warren Lamp Company, Warren Plastics Company, National Forge & Ordnance, Greene Metal Stamping, G. G. Greene, Thomas Flexible Coupling Company, Fairchild Rapp, Warren Tank Car, Crescent Furniture Company, General Concrete Products.

While many of the county have been contacted through letters sent direct to them, Mr. Albaugh

said it is the intention of his division to reach each worker through his source of employment to the end that every person will be given adequate opportunity to prove his patriotism and his appreciation to the nation's fighting forces for the immeasurable services they are rendering our nation.

As our readers know, the Warren County War Chest is endeavoring to raise the sum of \$20,000 as its quota of the national campaign being sponsored to provide funds for the USO, Navy Relief Society, and for the United China Relief.

Mr. Albaugh stated that even though many industries are working under war-time restrictions, he received wholehearted cooperation from all employers, and that in each plant one person has been designated as the War Chest representative to receive the contributions of the employees.

Warren Merchants Plan "Retailers' for Victory Month"

The retailers of Warren are joining every other progressive city, town and hamlet in the United States by recognizing July as "Retailers For Victory" month. The main purpose of this is the furtherance of the sale of War Bonds and Stamps.

To promote this July patriotic promotion Warren retailers are staging a Victory Rummage sale Friday and Saturday, June 26, 27th at the empty store room between Kirberger's and Printz's on Second avenue, generously donated by A. Kirberger. The sale is under the direction of the American Legion Ladies Auxiliary who are giving of their time and effort to make this sale a success. The sale merchandise will come direct from the stores, and will be valuable and usable articles. Every cent made on this rummage will be used for promotion expense and prizes for a contest sponsored by the merchants group.

This contest is open to any retail employee in Warren, and the prizes will go to the persons who sell the greatest amount in War Bonds and Stamps through the month of July. There will be a first prize of a \$50 War Bond for the winning female employee and a \$50 War Bond for the winning male employee. Many more prizes will be added if possible after the Victory Rummage Sale. Details of this contest will be in your Times-Mirror in a few days.

While the merchandise for this sale will in the main be donated

NEW STORE TO OPEN

Elsewhere in this issue appears an advertisement which contains the announcement of the opening of the new Mellander Confectionery store, at 110 Pennsylvania avenue, west, which will take place tomorrow. The public is cordially invited to inspect the new establishment.

START DRIVE

Elsewhere in this issue appears an advertisement reminding the general public of the annual drive for memberships that is now being conducted by the Children's Aid Society of Warren County. Memberships may be secured to aid in the work of "Guarding Warren County's Future Citizens" by sending contributions to the court house office of the society.

POLICE CONFERENCE

One of a series of quarterly police conferences attended by law enforcement officers from the area is being held at Erie today under the auspices of the Federal Bureau of Investigation. The meetings are concerned primarily with national defense problems which are confronting officials. A similar meeting will be held in DuBois Monday.

SIGNS TAKEN TO KANE

The mystery of the disappearance of a number of "No parking" signs which evidently disappeared from here recently may be explained in the following which appeared in "The Bird" column of the Kane Republican Thursday: "Motorists were giving the Frasley-Chase block on Greaves street a wide berth this morning. Not a car was parked on the south side of the block for a couple of hours. Then bystanders learned why. Police appeared and removed two portable 'No parking' signs from Warren borough which long-distance pranksters had placed there the night before."

by the stores, any resident of Warren may contribute usable goods for this sale by calling the Chamber of Commerce. This will be called for by the Boy Scouts, who are donating their services. The retailers group in Warren are certain the town will cooperate in making July "Retailers For Victory" month a success.

FATHER TAKES A BOW!

Children of Warren and the rest of the nation will unite in paying homage to fathers on Sunday. The beautiful custom of Father's Day calls attention to the oft neglected place of father in the home, in the training of children, in the safeguarding of the marriage tie, and in the protection of womanhood and childhood.

This Father's Day is for dads—proud fathers of valiant sons in Australia, in Iceland, in Africa, in all the strange ports that were only names a month or two ago.

It's a different Father's Day—one which finds fathers remembering more than he is remembered. Remembering the kid who skinned his knees trying out his first roller skates, the kid who came home with the black eye because he tangled with someone bigger, the kid who was proud of his Boy Scout uniform, the kid who hung on to the telephone for hours talking nonsense to the girl next door.

Father will get his share of neckties and pipes. He won't suffer for lack of attention, you can be sure. But this year he'll be wishing that he were twenty years younger so that he could say: "Move over, Son, I'll spell you for a while."

He'd like to take this boy of his—the boy under Doug MacArthur in Australia, and tell him how things were under Black Jack Pershing in France. He'd like to sit with the boy at chow and say: "It was on a night just like this when we got ready to go into the Argonne. There's nothing to be afraid of, kid. If your number is up, you might just as well be home in bed."

He'd like to say all those things, and more—give the kid advice and a pat on the back—but he can't. He's the most inarticulate sort of a guy there is. He's the big kid on the edge of the lot who wants to get into the game and play—everlasting outfielder if they'd let him—but he's too old and he knows he doesn't belong. He knows just exactly what's going to happen, but he doesn't dare open his mouth in warning for fear he'll be called an old spoilsport. He knows because he went through it; but he knows too late that a lesson learned the hard way is a lesson learned forever.

Maybe that's why we have Father's Day. It's sort of a way of saying that we know the Old Man isn't fooling us a bit, that we know he's touched to the quick by all these same neckties and pipes—but it's the only way we've got of saying the things we want to say and the only day on which he'll let us get away with it.

He has to. Didn't Mother have to get up and take a bow just a few weeks ago today?

Dedicated this year to "fathers for defense" and in honor of all fighting fathers from General MacArthur to the humblest air raid warden, Father's Day will be greater than ever in its history of 32 years. America's children will need little reminder to remember to honor the greatest American of all—the American father—day after tomorrow!

If you haven't noticed those rose bushes, now in full bloom, along the south side of Pennsylvania avenue, between Poplar and Beech streets, you've missed something. Another fine contribution to the town made possible by earlier citizens whose visions made such delightful and attractive spots available for generations to come. The pity of it is that a young woman was seen plucking flowers from one of the bushes last evening.

Youth's Day will be observed in Pennsylvania next Monday to commemorate the birth of Daniel Carter Beard, founder of the Boy Scouts. Governor James named the day by proclamation, commenting: "Never has this nation had greater need for citizens who, as did the late 'Dan' Beard, understand American democracy."

British Prime Minister Churchill's arrival for another conference with President Roosevelt is an inspiring indication of Allied alertness and coordination of effort at this crucial moment when decisive military actions are on the fire.

Walk to church Sunday and conserve tires and rubber!

The Warren County War Chest Fund needs your contribution. Why not make out that check now?

T-H-O-U-G-H-T-S

The Lord God is a sun and shield; the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly.—Psalms 84:11.

You Can't Ride On Smoke Rings

WASHINGTON IN WARTIME

(Second Of Two Articles) By JACK STINNETT

WASHINGTON—There is only one thing to do about the kind of rumors floating around in our war effort. The enemy would like to have us get hysterical about them. Therefore apply a little common sense to every one. If they aren't absolutely authenticated statements from government and war officials, give them the raised eyebrow. And don't repeat them.

From the vast store of case histories which the Federal Bureau of Investigation is collecting as a result of digging into practically every one that comes their way, there are many to which this caution can be applied.

OVER the south Atlantic coast recently went the story that a big Nazi submarine, operating three miles off shore, had hijacked a 43-foot diesel motorized yacht of its fuel oil. Common sense: How far would the fuel oil from a 46-foot yacht carry a big ship? What kind of a system would it be to sink tankers and diesel motorized ships of high tonnage and hijack little yachts for their thimbleful of fuel?

The New York waterfront is supposed to be alive with Axis agents who ply stevedores and sailors with drinks to find out sailing dates and destinations of our war cargoes. There's no doubt that there is some information to be gathered from stevedores and

sailors, but Common Sense: A stevedore may know what's in a cargo and when the ship is loaded, but he can't know when it will sail, or where it's going. A sailor may know approximately when a ship will sail, but in this wartime he never knows the destination until he's on the high seas, perhaps not until dawn of the day he lands.

THERE was the case of the unfortunate west coast farmer who was suspected for weeks because he was supposed to have played a message to enemy bombers into his land. Common sense would have resulted in the accusers waiting for the first sign of green in the "fifth columnist's" field. If they had, they would have discovered that the poor fellow, probably in a burst of springtime joy at having paid off the mortgage, had taken a leaf from Hollywood advertising and plowed his own first name into his hillside acres. The "message" consisted of the three-letter word "J-O-E."

It was this same kind of rumor that started the story that arrows cut in the cane fields of Hawaii guided Jap bombers to military objectives. Any good sugar cane man, using his common sense, could identify those "arrows" as swatches cut in the cane for experimental purposes.

The FBI doesn't want any one to relax alertness. It's just that if you have a story to tell, tell it to the FBI, not your neighbor. If it's true, he'll know it soon enough.

MAN ABOUT MANHATTAN

By GEORGE TUCKER

NEW YORK—I sneaked off fishing the other day. It was the best fishing trip I ever had. I went with Fred Carley, of the Danbury (Conn.) Bethel Gas & Electric Co. Mr. Carley is a man who is loaded down with fishing savvy. He can read water the way you read a newspaper. He can stand on the boat dock, scan the shoreline, and tell you how many fish you'll take. I once saw Babe Ruth point to a spot in the distant bleachers during a World Series game with the Chicago Cubs and then drive a home run into that very spot. I thought that was tops at calling your shots until I stood on the shores of China Lake with Fred Carley the other day. Fred looked at the water. The shoreline was a lush belt of blue spruce and mountain laurel. There was no sun. He said, "I figure we'll take eight the first time around the lake."

WE took eight. Eight steelheads. They came out of the blue depths in jagged streaks, and it seemed as if they had been freshly painted a glittering silver. It was like taking pure silver from a mother lode. The pure silver splashed all over the bottom of the boat. "Brother," said Fred, "you want to slit these babies up the back. . . . Not up the front, the way you do ordinary fish, but up the back. . . . Gently, easily. . . . Then lift the backbones out. . . . Then spread 'em open, and put some salt and pepper on them, and lay little squares of salt pork

on them—not bacon, mind you—that's too strong. Then slip them gently under the broiler. . . . That's all, Brother."

Fred Carley said, "Too bad Chic couldn't make it." He meant Chic Johnson ("Sons O' Fun"). But Chic, to his immense sorrow, couldn't make it. He had to rehearse a new girl (Wynn Murray) who was replacing Ella Logan in "Sons O' Fun." It's probably just as well, though. Fred added as an after thought, "This is a day for real fishermen, not actors."

I LOOKED at the spruce and the mountain laurel and the distant mountains, and the deep clear water that came from cool springs 60 feet below us, and the war seemed far away. This was China Lake. It is one of three similar bodies of water on the 3000-odd acres of the Carmel, N. Y., country club. . . . It has steelhead and rainbow and brooks. . . . It has largemouth black bass and smallmouth black bass. On that day, all we took were steelhead. On other days, all you'd take are rainbows. That seems singular. But it's true. They're all beautiful. When China Lake is stocked nothing under 12 inches will do. Something like three thousand trout are put in there at one time. They cost about 30 cents a piece. A sizeable item, but worth it. The thrill they give you makes the goose pimples break out all over your arm.

Pardon me if I seem excited. But I can't seem to get that silver out of my eyes.

YEARS AGO IN WARREN

Interesting Items Taken From the Warren Evening Times

In 1922 The Independent Order of Odd Fellows of Warren yesterday paid tribute to the memory of those who have died during the past twelve months. In the afternoon Canton Conewango, headed by the Warren band, marched to Oakland where a program was given. In the evening the Three Linkers heard an inspiring address by the Rev. Raymon Kistler.

Sunday was a red-letter day in the calendar of the local First Lutheran church, the occasion being the celebration of its eightieth anniversary. Speaker was the Rev. Ellis B. Burgess, D. D., president of the Pittsburgh Synod of the United Lutheran church of America.

Warren is being invaded by a religious sect known as the Seventh Day Adventists who will hold a camp meeting at the fair grounds for three weeks.

The Warren baseball team defeated Jamestown yesterday by a score of 7 to 4. Pratt and Burns were the battery for the locals. Huff and Dwyer pitched for Jamestown, while Morley and Thorne caught.

Miss Jean Robertson, daughter of Dr. and Mrs. W. M. Robertson, is home from Mt. Holyoke College to spend the summer vacation. Miss Robertson was accompanied by her cousin, Miss Agnes McNary, also a Mt. Holyoke student.

In 1932

Gerald Johnson, son of Mr. and Mrs. A. E. Johnson, Water street, was graduated on Wednesday of this week from the Western Reserve Law School in Cleveland and will go to Columbus, O., the last three days of this month to take his bar examinations.

Dorothy May Alzinger, 19 Prospect street, is 15 years of age and has never been absent from school a day nor been tardy for nine school years.

The Butter Krust mushball team defeated the Railway Express Agency team last evening by a score of 7 to 5. The feature of the game was two home runs by Joe Massa, one in the first and one in the sixth.

One hundred and ten enjoyed the Warren county "Yo-Ag" picnic and field day at the State Hospital yesterday. Those in charge were T. R. Sponsler, agriculture teacher, Sugar Grove; R. L. Albright, agriculture teacher, Youngsville, and C. F. H. Wuesthoff, vocational supervisor, Warren.

Miss Jean Ball, daughter of Dr. and Mrs. M. V. Ball, motored home last night from Oberlin, O., where she is a teacher in the high school.

Mr. and Mrs. Peter M. Johnson, Prospect street, are celebrating their thirtieth wedding anniversary in a quiet manner at their home. Their daughter, Mrs. Harold Wright, and family, of Jamestown, and their son, Ernest, will be with them over the weekend.

Farmers Enlisted For Rubber Scrap Collection In County

Within a few days rubber scrap material of all kinds will be rolling in from the hills and dales of Warren county, as the farmers answer the call of President Roosevelt to nation-wide action.

At a meeting held Wednesday in the county court house the Farmers War Board, presided over by Arthur L. Page, chairman, decided upon ways and means of bringing light into the dark corners of barns and woodsheds throughout the county and rescuing every available ounce of rubber scrap even though it may be covered with the cobwebs of two decades.

The meeting was addressed by E. S. Knabenshue, co-chairman of the Warren County Salvage Committee, Chester S. Allen, chairman of the farm division of the Salvage Committee; also attended, as did John Cochran, chairman of the Petroleum Distributors Committee, which is assuming responsibility for collection of rubber from the service stations.

The farmers' board decided to divide the county into ten "communities," each one of which is to be handled as a unit in the collection of rubber under the chairmanship of a chosen farm leader. These community chairmen may proceed in any way they choose to get in the rubber, providing only that satisfactory results are achieved.

Different methods will be used in different communities, but it is believed that the final results from the farms of the county will be excellent.

Community chairmen in charge of the drive are as follows: Columbus, N. E. Dodd; Freehold, Hubert Johnson; Spring Creek, Leon Whiteley; Youngsville, Charles Camp; Grand Valley, Clarence Reinhart; Sugar Grove, assistant chairman, Mike Zurban; Elk, Carl Peterson; Farmington, Albert Firth; Pine Grove, Richard Enos; Warren, Raymond Ralston.

Volunteers To Aid Statewide "Battle Against Inflation"

The Pennsylvania Office of Price Administration called for 13,500 volunteers today to join "the battle against inflation" by teaching retailers the details of OPA price posting regulations.

A one-day educational campaign will be undertaken next month, probably July 8, Director Raymond P. Ashenfelter said at Philadelphia today, with volunteers calling at each of the state's 133,500 retail establishments.

"The program results from surveys showing little general understanding of the regulations," Ashenfelter said.

"The problem has been one of information, rather than non-operation, Pennsylvania retailers, we know, are only too anxious to help us prevent inflation," Dr. James F. Bogardus, OPA price officer, in immediate charge of the drive, commented that price posting regulations are "necessarily somewhat complicated," and added:

"Dissemination of this information is an integral part of winning the war, because compliance with the general over-all price ceilings is necessary to keep our economy from exploding under the stress of wartime expenditures."

Ashenfelter said that Dr. A. C. Marts, director of the Pennsylvania Defense Council, "has agreed to ask volunteer officers" to cooperate.

A similar drive will take place on the same day in New York, New Jersey, Maryland and the District of Columbia, the OPA office announced, with a total of 50,000 volunteers participating.

Rules and Regulations Of "Air Raid Precaution Act"

WHEREAS, the General Assembly of the Commonwealth of Pennsylvania passed Act, No. 14, approved the 13th day of April, 1942, known as the "Air Raid Precautions Act," which declares it to be the duty of the State Council of Defense to take such precautionary measures as may be necessary for the safety, defense and protection of the civilian population and property of the Commonwealth, with respect to air raids, and empowers the State Council of Defense to adopt, promulgate and enforce rules, regulations and orders for these purposes, which are to have the same force and effect as if they formed a part of the said Air Raid Precautions Act, and the violation thereof is to be subject to the penalties as provided in Section 9 of said act.

The State Council of Defense does, therefore, in pursuance of Act No. 14, approved April 13, 1942, adopt and promulgate the following rules and regulations, and rescinds any rules and regulations heretofore issued inconsistent herewith:

Definitions. The following words and phrases, when used in any rule, regulation or order subsequently adopted and promulgated, unless the context clearly indicates otherwise, shall have the following meanings ascribed to them:

The "State Council of Defense for the Commonwealth of Pennsylvania" shall mean the Act of the General Assembly of the Commonwealth of Pennsylvania, approved March 19, 1941, P. L. 6.

The "Air Raid Precautions Act" shall mean the Act approved the 13th day of April, 1942, Act No. 14.

"Local and District Councils of Defense" shall mean such councils established under the provisions of the Act approved the 19th day of March, 1941, (P. L. 6).

"Municipal Agencies" shall mean and include police, fire, sanitation, sewer, water, engineering and all other regular municipal agencies manned by officers and employees of a political subdivision of the Commonwealth, charged with duties and responsibilities in connection with civilian protection.

"Volunteer Agencies" shall mean and include air raid wardens, auxiliary police, auxiliary firemen, rescue squads, medical forces, nurses' aides, repair crews, decontamination corps, demolition crews and all other civilian protection forces and services charged with duties and responsibilities in connection with civilian protection.

"Political subdivision" shall mean any county, city, borough, incorporated town and township.

"Attack" shall mean all conditions of hostile air raid attack.

"Drill" shall mean air raid drill and practice blackout.

Open Meeting Of Grange At Tiona Monday

On Monday evening, Warren county Grangers will have an opportunity of attending the opening meeting of a week of special Grange activity, when Diamond Grange at Tiona, youngest subordinate in the county, will entertain J. A. Boak, past state master, at an open meeting.

All patrons and friends of the entire county are invited and expected to attend. The Pomona Grange lecturer, Mrs. Florence Price, will have charge of the program, with Past Master Boak as principal speaker. He will also conduct a question box and there will be other features.

Tuesday evening, Brokenstraw Grange at Youngsville will entertain Mr. Boak at a closed meeting and W. L. Markham, of Chautauqua county, will appear on the program to speak on "The Grange and Free Farmers" and explain opposition of Free Farmers to membership in the CIO Mine Workers' Union No. 50. Mr. Boak will speak on "Building Grange Membership." Location of Brokenstraw unit makes it particularly convenient for patrons of the western section of the county to hear the state official.

During the coming week, most county subordinates are planning all-day membership drives, with dinner at the local Grange hall as a feature.

TIMES TOPICS

UNIT MEETING POSTPONED
The meeting of the United Community Travelers, scheduled for tomorrow evening at the L. O. O. F. hall, has been postponed to a later date.

SUMMER DUE SUNDAY
The official arrival of summer will be made at 9:17, EST, Sunday evening, according to the World Almanac. The section is now enjoying the longest days of the year and within another week they will start to become shorter until the shortest periods next December.

ERROR IN ITEM
It was incorrectly stated in last night's issue that closing exercises for the Congregational and Calvary Baptist churches would be held in the latter church. The commencement is at eight o'clock this evening in the Bethlehem Congregational church, instead, and all interested are invited.

FINE IDEA
The Metzger-Wright Co. has adopted a novel and very helpful method for aiding the rubber scrap drive in Warren county. Persons calling the store over the telephone are greeted with the following reminder: "Metzger-Wright Company reminding you to send in your scrap rubber!"

REPEATING PLAY
A near capacity audience greeted the benefit play, "One Mad Night", at the Clark building in Russell last evening and those in charge announce it is being repeated tonight. Curtain is at eight o'clock and all are invited to enjoy this amateur entertainment and aid the Men's Bible Class room fund.

PAST GRANDS TO MEET
The June meeting of the Warren-Forest Past Grands' Council No. 1, will be held Saturday evening in the L. O. O. F. hall in Hickory street, in connection with the annual meeting of the State Council which had accepted an invitation to hold its session in this city. A large attendance is expected.

ENTERS CONSERVATORY

William Pfeiffer, superintendent of the Lutheran Old People's Home at Zelienople.

FIRST AID FILM
A first aid sound film recently released by national headquarters of the American Red Cross is to be shown at the armory at 8:30 p. m. Monday. These pictures were secured through the Civilian Air Patrol as a help in their study and completion of first aid training but because of their interest to other first aiders it was decided to have a public showing and invite all interested to attend.

BUSINESS INCREASES
Despite further curtailment in retail sales, business in the Pittsburgh district edged slightly higher last week, the University of Pittsburgh reported today. The business index reached 142.9 per cent of the 1923-25 average, as compared to 144.3 per cent in the corresponding week of 1941. Industrial production rose moderately, mainly because of improved electric power sales and higher bituminous coal production. Steel mill activity remained unchanged.

SOCIAL SECURITY
A representative of the Erie office of the Social Security Board will conduct office hours in the Employment Service Office, 225 Pennsylvania avenue, west, from 10 a. m. to 1:00 p. m. next Monday, it was announced today by Thomas P. Mahoney, acting manager. Persons desiring information relative to social security account numbers, claims for old-age and survivors insurance payments, or other matter pertaining to social security are invited to call on the board representative.

Business Men At Youngsville Hold Meeting

Youngsville, June 19.—The Business Men's Association met in the Legion Hall Thursday night and discussed the new credit regulations as put out by the government. Under this new regulation bills incurred in one month must be paid for within the next month, unless the installment plan is employed.

They also discussed the regulation in regard to the ceiling on prices. L. A. Schnell, the local defense chairman, gave a short explanation of the "black-out" to be held throughout western Pennsylvania on Thursday, June 25th. Several new names were added to the Association. The next meeting will be at the call of the president, Roy Crandall, when further information is received in response to inquiries to the government about the above subjects.

SURPRISE GRANGE MASTER.
At the close of a most successful ice cream lawn festival Thursday evening, the members of the Brokenstraw Grange went to the lodge hall where the master of the Grange, Leo Johnson, received a birthday surprise. Tables were set with refreshments and a poem was read by Mrs. Kenneth Haight, after which a gift of a purse of money was presented Mr. Johnson for his faithful work in the Grange, so honoring his birthday.

MANY TRAILS RIDING CLUB.
The June meeting of the Many Trails Riding Club was held this week at the recently rented club house near East Branch, with approximately 35 members present. After a social time a twelve lunch was served by the committee. Miss Mildred Mead, William Clark and Mr. and Mrs. L. C. Pollard, all of Youngsville.

At the business meeting it was voted to purchase red jackets, each to have the monogram of the club and to be worn at all public gatherings as well as on rides and parades.

A ride and camping trip for the Fourth of July was discussed but no definite plans were made. These will be announced later.

LOCALS

Mrs. Sophia Sagerdahl and Mrs. Nellie Martindale were in attendance Sunday at the graduation of James Harrington from St. Joseph Academy in Titusville.

Mr. and Mrs. Walter Dearth, of Lakewood, Ohio, returned home Thursday after a few days' vacation with her mother, Mrs. William Hesburn.

Feud Flares Over Inquiry Into the WPB

(From Page One)
Chairman Charles L. Faddis (D-Pa.) of the house military subcommittee, which reported on both aluminum production and the Guthrie case, said "that sounds kind of babyish to me" and would not comment further.

Chairman Truman was less direct in his criticism of the house group but was careful to record dates and times that the WPB inquiries have been asked, observing that the senate group went into the controversy only after specific requests by Nelson and after the house committee had failed to make a report.

pressed belief that Japan would not risk taking on a new enemy until Hitler had started his long-delayed grand offensive against Russia and until she was sure that the German push was succeeding.

Russia and Japan have a five-year neutrality and "friendship" pact, signed April 13, 1941, which so far has been observed amid warnings by Moscow and Tokyo to each other against violations.

High quarters in Chungking, Chinese war-time capital, said the Japanese general staff preferred to postpone further thrusts into the South Seas in favor of strategy affecting territory nearer Japan.

The Japanese want to establish a "security zone," it was said, against the hour when American war production would be translated in a full-scale offensive against Japan.

On the China fighting front, Generalissimo Chiang Kai-Shek's Chinese armies doggedly fought against a dozen or more Japanese invasion columns, chiefly in the eastern and southern provinces.

In the battle of Australia, an Allied spokesman said the Japanese were using two new type planes—a lighter Zero fighter and a cannon-equipped medium bomber—and he added that the enemy was bombing with even less accuracy than in the Philippines.

Gen. Douglas MacArthur's headquarters said 18 heavy Japanese bombers escorted by fighters again attacked the Allied outpost at Port Moresby, New Guinea, but succeeded in damaging only "one small ship."

The Bear Lake boys enjoyed an evening of baseball with the Aero Supply of Corry.

Quite a few from Bear Lake attended the circus in Jamestown last Tuesday.

Mr. and Mrs. John Graves of near Panama were guests of their uncle F. Woodin, recently.

Mrs. Ethna Crowe was in Pittsburgh three days last week attending the state convention of the National Association of Postmasters, which was held at the Fort Pitt Hotel.

Dr. Joseph Welsh of Rochester, N. Y., was a guest of Mrs. Crowe and son Martin Monday.

Mrs. Phoebe Phillips was hostess to the Bear Lake Woman's Club on Thursday afternoon with a good attendance. After the usual business meeting conducted by the president, Mrs. Elma Walker, the election of officers took place.

It was voted to retain the same officers and committees for the coming year. There was however one new committee appointed to fill the vacancy left by Mrs. Mary Balcom who moved away. The next meeting will be in the form of a picnic and will be held on the regular club day with Grace Martin at her home on the West Side.

the country adjacent to oil-rich Iraq open to Nazi air-borne invasion—just at a time when there are increasing reports of German glider exercises in the region of Crete.

The Germans probably will start heavy bombing raids on Alexandria, naval base key to the eastern Mediterranean.

If the Axis can draw away British air and naval strength the Axis might try to invade Malta to ease the Italian-German supply route from Italy to Africa.

Rommel can be expected to open a big land offensive toward Egypt, Alexandria and Suez when and if he can remove the Tobruk thorn from the Axis Libyan flank.

In Moscow, with Premier Joseph Stalin making one of his rare appearances, Foreign Commissar V. Molotov told the supreme Soviet that Washington and London were giving "serious attention" to the question of a second front, and he predicted:

"Our common enemy will soon experience to his cost the results of the ever-growing military collaboration of Russia, Britain and the United States."

AROUND NEW YORK

By GEORGE TUCKER

NEW YORK—There seems to be a wave of suicides and murders in New York. Almost without exception the suicides have been achieved through leaps from hotel and skyscraper windows. The murders mostly have been women whose bodies have been found in sordid hotel rooms and rooming houses in the meaner streets of New York.

I think I mentioned a suicide only yesterday, the one about the young wife who leaped from the 65th story of a building in Rockefeller Center, and who left a note, saying, "Darling, I can't go on." She was the mother of a three-months-old child.

THERE was another one today. She leaped from a window in West 48th street. "A pretty young woman," the police described her, who was frustrated in love. . . . "Please forgive me. . . . I love you with all my heart. . . . That's what she wrote. You found the story with a two-column headline on the front pages of the newspaper. I mention this because a few weeks ago this column carried the following item: "A blonde young woman is found in a mid-town hotel with her head bashed in. . . . All she has on is a pair of black

step-ins. Clutched tightly in her hands is a shiny new quarter—Stuff for an O. Henry."

SHORTLY after this appeared I received a letter from a man in a distant city. He quoted the item as I have given it above, and then said:

"My wife is separated from me. She left the apartment where she had gone to live and I later heard that she was staying at the hotel in New York City."

"But what made me suspicious was 'Clutched tightly in her hands is a shiny new quarter.' This was a habit of hers, to grip money in her hands to keep anyone from taking it away from her—like a child."

"She is about five feet, nine or ten inches tall. A scar from a burn several inches long is on her right leg. Her hair was dyed black, or she may have returned to natural blonde. If this checks up, please turn this over to the proper authorities."

I quote this letter so that the man who wrote it will know that his request has been turned over to the Missing Persons Bureau of New York City. If anything comes of it they will let me know, and I will pass the information along to him.

Just SCRAPS

Questions and answers concerning the current two-week national Scrap Rubber Salvage Campaign being conducted by direction of President Roosevelt were released today by Mrs. Wroth and Mr. Knabenshue county chairman of the Warren County Salvage Committee.

Mrs. Wroth and Mr. Knabenshue also enumerated the types of articles in which salvageable rubber can be found, and urged all residents of the county to search their attics, basements and backyards for these articles, so that they can be sold at service stations at the standard rate of a penny a pound.

Articles listed included: tires, inner-tubes, hard rubber tires, crepe rubber soles, boots and overshoes, hot water bottles, tennis shoes, rubber belting, rubber gloves, rubber sheeting, pads and matting, raincoats, rubber heels, bathing caps, jar rings, plumber's suction caps, sample tire sections, children's toys.

It was emphasized that rubber articles that are still usable should not be turned in because they would have to be replaced by purchase of new rubber articles.

The Warren County Salvage Committee has released the following questions and answers:

QUESTION: What to do with your rubber?
ANSWER: Every individual in the Nation is asked by our President to bring out rubber scrap to help our fighting forces. The WHAT and HOW is answered below:

QUESTION: How shall I dispose of the scrap rubber I gather?
ANSWER: Take it to your nearest gasoline dealer, who will buy it at the rate of a cent a pound. Or, you can donate it to Boy Scouts or other collectors, who may visit your neighborhood.

QUESTION: Must an article be pure rubber to be salvageable?
ANSWER: No. Fabricated articles containing a large percentage of rubber will be paid for as though they were all rubber.

QUESTION: Why is my old rubber needed?
ANSWER: Ninety-two per cent of America's normal rubber supply source is now in the hands of the enemy, and the United States is not yet producing enough synthetic rubber to approach its needs.

QUESTION: If the rubber collection fails to bring enough scrap, how will the United States get along?
ANSWER: Gasoline rationing may be made Nation-wide to save tires; more Army tanks will be equipped with inferior metal tracks instead of rubber; every branch of the armed forces will be handicapped because most of their equipment requires some rubber.

QUESTION: If I wish to contribute rubber items which are parts of non-rubber articles—as for instance rubber heels and soles on leather shoes—should I contribute the entire article?
ANSWER: No. Rubber heels and soles should be removed from the shoes. Rubber stamps should be removed from their metal or wooden handles. In so far as possible all foreign material should be removed from rubber items, but eye-lets or zippers need not be cut from all-rubber footwear, and rubber-covered insulated wire is acceptable in its entirety.

QUESTION: What scrap rubber can I expect to find in my kitchen?
ANSWER: Aprons, rubber-covered dish drainers, drain board mats, faucet sprays, sink stoppers, jar rings, dish scrapers, ice cube trays, rubber sponges, gloves.

QUESTION: What scrap rubber may be found in the bathroom?
ANSWER: Soap dishes, drain plugs, sponges, unused shower sprays, hot water bottles, syringes, ice bags, rubber bulbs from medicine droppers.

QUESTION: What scrap rubber may lie in closets?
ANSWER: Old galoshes, rubber overshoes, tennis shoes, beach slippers, bathing caps, tennis balls, raincoats, garden hoses, belting, pads and matting, crepe rubber soles, sheeting, rubber ash tray tins.

QUESTION: Is there any scrap rubber in nursery rooms?
ANSWER: Worn out baby pants, crib pads, bibs, nipples, pacifiers and a great variety of rubber toys.

QUESTION: What scrap rubber can bedrooms yield?
ANSWER: Rubber hair curlers, girdles, dress shields, garters, suspenders, elastic tape.

QUESTION: Are old storage battery cases wanted?
ANSWER: No. Most of them are made of asphalt compound.

QUESTION: Who will get the profits from the rubber sales?
ANSWER: Every cent will go to designated charities, including the Red Cross and Army and Navy Relief Funds. The gasoline dealer who buys your scrap does so as a profit-free public service. In fact, he must temporarily finance the rubber purchase. There will be no profit for him or anyone else.

QUESTION: What shall I do if I have a very small quantity?
ANSWER: You can make the receiver's job easier by donating scrap which would bring a negligible amount of money. Take it to your neighborhood service station.

QUESTION: When should I get rid of my scrap rubber?
ANSWER: Today, if possible. Speed is essential.

QUESTION: What about tires?
ANSWER: Old casings, no matter how worn, contain valuable rubber. Turn them in.

QUESTION: Are hard rubber items, such as ash trays, combs, etc., valuable?
ANSWER: No. They are not reclaimable.

QUESTION: What scrap is available on the farm?
ANSWER: Truck, auto, and old tractor tires, of course, old rubber gaskets, belting, various rubber fittings.

SPORTS

Pros Batter Par In Hale America Play

Chicago, June 18—(P)—The only thing that possibly could create any excitement in the second round of the Hale America Golf Tournament today would be for one of the leaders to shoot a 61 and then be disqualified because he was caught using a putter off the tees.

Everything else happened yesterday, leaving the crowds that surged over the Ridgemoor Club course somewhat surfeited with under-par golf and sideshow amusements.

Sammy Byrd, the ex-ball player, whose clubs were ruled out as too grooved, played with a borrowed set, so mad he could shoot no better than a par 72.

Jimmy Thompson, known as the longest driver in the business and perhaps the most erratic with his irons, won both the driving and the approaching contests.

And 63 players of a total entry of 96 either equalled or beat the set-out of Ridgemoor's official par. Seldom has golf seen a shooting match to equal it.

Leading the field at the first turn in the big charity event were Otey Crisman, a pint-sized pro from Alabama, and Mike Turnesa, each with a 65.

Yesterday's Stars

By the Associated Press

Virgil Trucks, Tigers—Beat Yankees with four-hit pitching. Buck Ross, White Sox—Checked Athletics on five hits, allowing only two until eighth inning.

Jake Early, Senators—Drove in four runs with double and two singles against Indians.

Larry French, Dodgers—Stopped Cardinals with eight-hit hurling and drove in two runs himself with double in eighth-inning rally.

AAU Track, Field Event Starts Today

New York, June 19—(P)—New York's greatest collection of track and field stars since the Olympic tryouts at Triborough Stadium in 1936 took over that same arena on Randall's Island today for the start of the 56th annual National A. A. U. Championships.

The New York Athletic Club, winner of the team title six times in the last ten years, has entered a squad of 49 and is rated a strong threat to the three-year reign of the San Francisco Olympic Club, which is defending its championship with 16 men.

The sure winner, however, is Army Emergency Relief, scheduled to receive at least \$75,000 from gate receipts and program advertising.

A notable absentee is Barney Ewell, 100-meter champion in 1941, who was forced out by an injury suffered in the N. C. A. A. meet.

Fight Program Is Called Off In Pittsburgh

Pittsburgh, June 19—(P)—Instead of obtaining a substitute opponent for Mose Brown, McKeesport fighter, who was to have met Champion Gus Lesnevich for the light heavyweight title, the Rooney-McGinley Boxing Company today announced cancellation of the June 29 fight program at Forbes Field.

Lesnevich, who had been training for the bout, was ordered back to active duty with the U. S. Coast Guard.

However, the June 29 fight date will be utilized for the return 10-round match between Ezzard Charles of Cincinnati and Charley Burley of Pittsburgh. The card will be presented in Hickey Park. The Cincinnati High School boy surprised Pittsburghers by beating Burley at Forbes Field last month.

A recent guest of Miss Pauline Rowland was Miss Doris Daum, of Strobleton.

Mr. and Mrs. Russell Haag and Gene Reiter, of near DuBois, visited relatives here last week.

Dinner guest on Sunday of Rev. and Mrs. William Fuller was Miss Dora Schneider, of Lafarville, home economics agent at large of N. Y. State, now working in Chautauqua county.

Relatives here have received news of the birth of a daughter to Mr. and Mrs. Ray Manley in Erie. Mrs. Manley was formerly Miss Lucile Putnam.

Recent visitors of Mrs. Minnie Ludwick were Mrs. Elmer Ostrom, Mrs. Esther Berger and two children and Mrs. Hilda Strand, of Jamestown.

Rev. and Mrs. A. L. M. Herenius of West Warwick, R. I., visited relatives here last week. Mrs. Herenius remained for a few days with her sister, Mrs. Clara Burgett. Rev. Herenius attended the Lutheran Augustana Synod held in Jamestown, N. Y.

Mrs. Agnes Garfield, of Conneautville, is spending some time at the home of Mrs. Carrie Barkman.

Mr. and Mrs. Herman Reed and family have returned from a visit with Mr. Reed's parents at Marathon, N. Y.

Dinner guests at the home of Josephine and Frank Peterson on Friday night were Mr. and Mrs. Harold Babcock and daughter Mary Ellen, of Erie, Mr. and Mrs. Raymond Babcock, of Lebanon, and Mrs. Emma Peterson and daughter Doris, of Jamestown.

Lars Larson has returned from a week's visit with friends in Long Island and New York City.

Mr. and Mrs. Ernest Venman and family, of Ebensburg, spent the week end with relatives here. Mr. Venman who previously held a position as agricultural supervisor in Ebensburg is moving to Albion to occupy a similar position there.

Craig Bennett Allows Only Six Hits; Forge Meets Eagles Tonight

GENEVA CLUB WILL BATTLE NFO SUNDAY

Announcement was made today by Jimmy Kannen, business manager of the National Forge and Ordnance baseball club, that the Keystone Ordnance Works team from Geneva will visit Wilder Field at Irvine Sunday afternoon to take part in the first game on that diamond this season, weather permitting.

Kannen, who has been scoffed at in two previous efforts by the weatherman and Jupiter Pluvius, hopes for a better break Sunday, and was confident that the contest would be a good one all the way.

The Forge battles this evening in a series of important scrap in order to hold their first place lead, the Sunset League against the Eagles and tonight's tray therefore should leave them in good shape to make tough opposition for the Geneva defense workers Sunday.

Details concerning the Geneva club were unavailable today because of the late acceptance of the Sunday date by their business manager in a telephone conversation with Kannen last night.

Admission to the Forge ball park is 50 cents for gentlemen, 30 cents for ladies, including tax, and children are admitted free of charge.

The game will begin at four o'clock in order to accommodate defense workers whose shift ends at three o'clock and allow them to get to the park in time for the contest.

STATE PUBLIX GOLF EVENT SET FOR JULY

Hershey, Pa., June 19.—(P)—The eighth annual Pennsylvania Public Links Golf Championship at the Hershey Park Golf Club will be staged July 17 and 18.

Features will be a 72-hole, medal play, contest for play-as-play golfers and a 36-hole team competition. Last year, Mike Rooney, of York, won the tournament and the Oysterbrook Golf Club of Lancaster finished first in the team play.

Warren County Open on Tap Sunday

LARGE FIELD OF LINKSMEN AWAIT EVENT

The committee in charge of the seventh annual Warren county open golf tournament to be held over the Maplehurst Golf Club course this Sunday today announced one change, in the deadline, setting it ahead to nine o'clock Sunday morning, at which time the first golfers will tee off on the No. 1 hole and the tourney will officially get under way.

Outside of this change, the rest of the program is ready to go as lined up with a field of 30 golfers expected to break from the barrier.

There will be prizes awarded for the best score on the first 18 holes, the best score on the second 18, the best score in the tournament, blind bogey award for each 18, and also prizes for the lowest scores in the 80s, 90s, 100s respectively and many others.

Merchants giving prizes in the tournament, as reported most recently by the committee, include Hardware, Brown's Boot Shop, Style Shop, Ritchie's B. & B. Smoke Shop, Montgomery Ward, Printz Company, Miller Drug store, Penn Bowling Center, Erie Daily Times, and Kresge's 5c and 10c store.

It is especially emphasized for the interest of entrants that the

Two Golfers Share Honors in Calcutta

Chuck Blackman and Bill Lutz tied for first place in the Calcutta tournament held yesterday afternoon at the Conewango Valley Country Club, both coming in with net cards of 35.

Blackman, who also tied for the lead last week, had a 46 with an 11 handicap, while Lutz, with a 7 handicap, shot a 42.

The two winners were "owned" by Tim Creal and Dr. Paul Stewart.

Next week's dinner will take the form of a picnic and will be held Friday because of the dim-out scheduled for Thursday. The usual Calcutta will be held.

first, second and third-place prizes will be cash awards in this year's event, following the past pattern.

Entries will be received until nine o'clock Sunday morning, and the entry fee is only 50 cents.

Twenty-four names were offered today in a partial list of those entered, including: Mike Blech, Art Johnson, Ort Boyd, Harry Cooper, Joe Brindis, Vito Brindis, George Wells, Chink Collins, John Park, Bob Williams, Bud Proud, Bob Johnson, Bob Walsh, Buck Samuelson, Ray Morlock, Richard Price, "Chingo" Scalise, Wayne Campbell, George Johnson, Howard Johnson, Harry Bittenbender, and Gene Fraring.

An additional note made by the committee is of the fact that 18 holes will be played in the morning, 18 holes in the afternoon, the event consisting of a total of 18 holes of medal play.

SPORTS SPATTERINGS

BY HARRY GRAYSON
NEA Service Sports Editor

New York, June 29.—Claude Passeau, the great Cub pitcher, called it a disgrace to major league baseball, stressed the danger of the bean ball under circumstances he termed distressing.

More than 15,000 persons suffered from hot dog indigestion, but their very presence was enough for Larry MacPhail, baseball's idea man, to pronounce the majors' first twilight game a success.

It happened in Brooklyn, of course, with the lights going on with the first shadows cast by the stands. They kicked off at 7 p. m. and the show was over 21 minutes before the dimout curfew sounded.

"This is a fine thing because it enables the man who could see baseball only at night an opportunity to enjoy his favorite form of entertainment despite war restrictions," says Loud Speaker MacPhail. "That was the only purpose of night baseball. It was for the man who couldn't get away in the afternoon."

I was about to ask President MacPhail what he was doing for the blokes who can't get out at night—the night club mob and the milkmen, for example, but hesitated to suggest dawn baseball because the Flatbush redhead is just enterprising and daffy enough to try it out. Wouldn't that be awful—baseball writers having to get up before sunrise. They'd have to stay up all night.

Dawn baseball might not be a bad idea at that. MacPhail even could get the night club owners to underwrite it. Cafe society would go for it in a big way. All the best people. Glamor girls. Oona O'Neill.

Dawn baseball would be a step in the right direction in connection with the national health program. People could enjoy their meals on time. By 5:20 a. m. or so, a lot of spectators would prefer to play, so the players could occupy seats in the stands, golf later in the morning and take in the races in the afternoon.

The incredible Brooklyn fans could sit up all night and practice rooting. They would be in rare voice and form by daybreak.

They act drunk when they're sober. Perhaps dawn baseball would straighten them out.

That would be something.

Rice Edges Michell To Win Club Tourney

Recreation Center In 16-4 Triumph to Take City Loop First Half

Though they play a game next week to finish out their first half schedule officially, the Recreation Center last night clinched the City Softball League first half championship, beating the only team to which they've bowed so far in the circuit, the Knights of Columbus, by an overwhelming 16-4 score as Ed Seaquist pitched a three-hitter and the Rec batters had an extra-good batting practice as they teed off on DeNardi for 19 safeties.

The champs scored five times in the first inning, arm their margin to an 8-1 count in the third and 13-3 by the end of the sixth, and then scored once in the seventh and twice in the eighth to finish so far in front fans couldn't see the Casey's in the runner-up position of this match race.

George Gheres pounded out a home run for the winners while Angelo Juliano hit for the circuit for the K. of C.

The Center was in top form for last night's clash which, based on past results, looked as an interesting struggle but was quickly turned into a rout.

Next week's card calls for the Recreation Center to battle the cellar-place Sons of Itay club on Tuesday night, but this game can have no bearing on the final standings for the first half. The Casey's and Struthers-Wells battle Monday.

And greatly to America's gain, the improvements in plane and engine designs take full advantage of this super-fuel.

First Sermon To Be Given At Sheffield

Perry A. Carlson, member of Bethany Lutheran church at Sheffield and one of the 20 Augustana Seminary candidates for ordination at synod convention in Jamestown, N. Y., last Sunday, will preach his first post-ordination sermon in his home church.

An active member of Bethany parish all his life, he will speak there Sunday morning at 11 o'clock.

Rev. Carlson received his bachelor of arts degree from Bethany College in Lindsborg, Kans., and his bachelor of divinity degree from Augustana Theological Seminary in Rock Island, Ill. He was ordained on a call to Trinity Evangelical Lutheran church of Brattleboro, Vt., where he will assume charge on August 1.

Fellow members of his ordination group at Jamestown were honored guests at a dinner given in Bethany church last week. Following dinner, Pastor Carl Gronquist introduced three of the professors under whom the candidates had studied and called upon the class president, Roland Swanson. After he had expressed his appreciation for the honors paid and each member had introduced himself, the class sang its ordination hymn and an opportunity was given for all to become acquainted.

Mr. Carlson then took the men on a tour of the Pennsylvania Bottling Company plant.

FARM NEWS

Harrisburg, June 19.—(AP)—Farmers are urged by the state war board of the U. S. Department of Agriculture to form transportation pools for hauling produce to market and for bringing needed supplies to farms.

"Farmers can assist in the nationwide farm transportation program by avoiding trips to market with less than full loads wherever possible, and by making every possible effort to purchase supplies at times when it will be possible to haul them to farms on return trips," James E. Walker, board chairman, declared.

The program has the double aim of conserving vital equipment and assuring a continuous flow of farm commodities to market.

Pennsylvania last year grew \$44,891,000 worth of corn, an increase of \$6,000,000 over the previous year, Agriculture Secretary John H. Light disclosed.

Higher yields per acre and increased prices accounted for the rise in value of the 1941 crop, planted on 1,282,000 acres as compared to 1,222,000 acres in 1940.

The average yield per acre last year was 41.5 bushels, while the total yield was \$53,293,000 bushels compared to the previous year's figures of 38 bushels per acre and a total yield of 50,236,000 bushels.

The 1941 corn price was 84 cents a bushel, seven cents higher than the previous year's level. Lancaster county led the state in number of acres of corn planted, 92,270. York county was second with 76,170 acres and Berks was third with 55,920 acres.

QUAKER CITY VICE BLAMED ON POLICE
Harrisburg, June 19.—(P)—Governor James says the responsibility for Philadelphia's "so-called Barbary coast" lies at the doorstep of the city's police department and asserted the State Liquor Board was only indirectly involved.
"The problem is a police problem, not a liquor board problem," James commented. "The abuses are matters of vice and crime in general and only in an indirect fashion do they involve the liquor laws."
Police closed 14 taprooms in Philadelphia's Arch street area after several were ruled out of bounds for sailors on shore leave.

OPPOSITION TO REP. FISH IS RUMPING
Poughkeepsie, N. Y., June 19.—(P)—Opposition within the Republican party to Rep. Hamilton Fish, Jr., 20-year veteran of congress from President Roosevelt's home state, mounted today with failure of the Dutchess county GOP committee to endorse him.
For the first time since Fish went to Washington, the committee last night withheld endorsement, but did not approve any other candidate in the 26th congressional district. Committees of Putnam and Orange counties, also included in the district, have voted to support Fish, frequent and valuable pre-war critic of the president.
CENTENARIAN?
Philadelphia, June 19.—(P)—Samuel P. Huhn's whereabouts has been a mystery since he disappeared in 1881. Yesterday, because Aetna Life Insurance Company wanted to remove his \$2,177 policy from its books, a court declared him illegally dead.
Huhn would have been 104 years old next month.
MOVIE ACTOR IN LONDON
London, June 19.—(P)—Lieu. Gene Raymond, motion picture actor now with the United States air corps, has arrived in Great Britain. It was announced today.

Social Events
FOR MISS ANDERSON
Miss Doris Anderson, who is a bride today, was honored at a personal shower given Wednesday evening by Jeannette Olson. The time was pleasantly spent in playing games and with a treasure hunt to reveal the gifts. At the conclusion of the evening, a two course buffet luncheon was served to the following: Mrs. Ed Fitzgerald, Jeannette Brownell, Margaret Williams, Lois Anderson, Gloria Boston, Audrey Cederquist, Marie Lawson, Adelaide Ettinger, Anne Olson and the guest of honor.
VARIETY SHOWER
Miss Doris Rickerson, soon to be a bride, was honored guest at a variety shower given at the Burgard home in North Warren by Betty Hottel, Lois Bogart and Janice Burghardt. Games and contests were enjoyed, with prizes going to Betty Hottel, Gretchen Jamieson and Georgia Lauffenberger.
TWO ACCIDENTAL DEATHS BY POISONING
Montoursville, June 19.—(P)—Accidental carbon monoxide poisoning was blamed today for the deaths of Mrs. Paul G. Burgard, 28, and her nine-month-old son by State Policeman William G. Fink, who conducted an investigation with Lycoming county authorities.
The bodies of the mother and babe were found in the living room of the home, Burgard, unconscious, was slumped in a nearby chair. His condition today was termed satisfactory.
MARTIN ON VISIT
Alexandria, La., June 19.—(P)—Major General Edward Martin, Republican candidate for governor of Pennsylvania, is here for a week's visit with his son, Lieut. Edward Martin, Jr.
Lieutenant Martin is an aide to Major General Martin as commander of the 28th Division, Federalized Pennsylvania National Guard.
CHILD KILLED
Pittsburgh, June 19.—(P)—Seven-year-old Theresa Ann Pfeiffer, of Swissvale, died today from injuries she received when accidentally struck by a boy swinging at a neighborhood playground yesterday evening.
At the time the Spanish-American War broke out the U. S. Army consisted of 2,000 officers and 25,000 men.

Here's a sensible way TO GET OUT OF DEBT
See Personal for a loan of \$10 to \$250 or more. Use the money to pay off your debts right away. Then repay Personal in monthly amounts you can afford comfortably. A loan to pay off creditors doesn't put you deeper into debt. It simply adjusts to a cash basis the debts you already have. We don't believe that folks should borrow unless a loan is the best solution to their problem. If it is, Personal makes loans on signature, furniture, or auto. Outsidere not involved. Youngsville Grange Plans Big Program

Youngsville, June 18—The Youngsville Grange is inviting the Granges of the county to join with them in a meeting on Tuesday night, June 23. This will have two outstanding speakers. One of these will be either Past State Master J. A. Bloak or an acting state officer, Mr. Fullerton. Also Winfred Markham, of Mayville, who has been fifty years a Granger, will talk on "What the Grange Means to Me." The rest of the program is being made up by Mrs. Lloyd Price, Pomona lecturer, and Mrs. Iner Olson, lecturer of the local Brokenstraw Grange. Both ladies are at State College this week attending a Grange lecturers' conference, so they will have many new ideas.

On Tuesday night a lunch in the dining hall will follow the evening's meeting.

NEWS ABOUT TOWN

Leo Johnson was the delegate from the Warren district of the Granges of the county to the Synod in Jamestown which closed the first of this week. The Synod of the Lutheran church took in all of United States and Canada. There were a number from Youngsville in attendance at the services on Sunday.

There were 216 men in attendance at the Warren county Farmer-Rotary dinner, held in the local gymnasium on Tuesday night. The main address by Mr. Champlin, of State College, on "Militant Christian Democracy," was one of the best ever given at such a gathering. Winfred Markham, of Mayville, was also one of the speakers. C. F. H. Wuesthoff, vocational supervisor of Warren county, had charge of the program.

The Dorcas class of the Methodist Sunday school is meeting with Mrs. Leonard Letzgar on Thursday evening.

The many friends of Mrs. Ethel Wesley, who has been confined to the Warren General Hospital with a badly fractured leg, will be glad to know that she is improving and will be able to be removed to her home about July 1st.

HOLLYWOOD SIGHTS AND SOUNDS

By ROBBIN COONS

HOLLYWOOD—If there's any one thing that will make Edgar Kennedy do a slow burn, it's an order for a "fast slow burn."

The stout, hardy, inexhaustible candle of smouldering wrath that is Kennedy frequently has occasion to be thus provoked. Between his regular duties and burning as the Average Man in the short comedies, Edgar goes to other films as a character actor. And almost always, when this happens, the director will ask him to deliver a slow burn. Just like that. "Give us a slow burn, Edgar."

"What they want," says Edgar, "is a fast slow burn, and that's no good. A burn has to have a build-up. In the first place, I've got to have something to burn about. A man doesn't just turn around in the camera and get mad for no reason. But that's what I'm asked to do."

ONCE he went into a movie and was drafted, as often happens to the comedy relief, to fill in weak spots in the script with his specialty. He delivered four or five authentic, genuine slow burns.

"But what happens? The picture's too long, so they cut out my build-ups. All they leave is Kennedy clapping his hand over his eyes and wiping his face with it. That's not a burn—that's just the climax of one. And it's not funny."

Edgar is a stickler for the niceties of burning. A grade-A burn begins—and always with provocation—with a slight fiddling of the fingers, perhaps a restrained drumming on the tablecloth with

fingers or fork. In these early stages the object of his wrath gets a scowl, or perhaps only a look of irritation. By degrees anger rises. When it is almost beyond control, and yet must be restrained, the hand goes to the eyes, the wiping-off process begins, and the burn has reached its zenith. There isn't any more.

Kennedy took to the movies about 1915 after he'd been knocked out of his title as Pacific coast boxing champion. He joined in with Mack Sennett and the old Keystone Kops, and like the others began his quest for a "character." (Another secker: Charlie Chaplin.) He found his, or its beginnings, as a comedy-heavy.

THE Average Man developed years ago (and he's been doing it 14 consecutive years for RKO) on the Roach lot.

Kennedy makes six of these films a year, working three days on each, which would leave him a lot of time for his no-average pursuits if he didn't go into other films like "In Old California" (his latest) and "A Star is Born" (his next).

Un-average is his squishiness over a 20-acre ranch in the valley, where he has horses, cattle, and sheep; he shoots golf in the 70's; he is still a good boxer; he himself is seldom given to slow burning—though his son Larry, 17, has a quick temper to make up for it, he says; he likes his home, his family—there are also Mrs. Kennedy and a daughter, Colleen, 16—but dislikes lunch-club clubs.

But what's least average about the Average Man is that \$2,000 a week he draws for being "average."

Four County Freshmen At Penn State

Four Warren county young men are among 659 freshmen who have enrolled in the Pennsylvania State College's first wartime summer semester. It was announced at the school today.

Most of these registered June 8 when the freshman semester began. Approximately 88 second-semester freshmen, however, had enrolled with the upperclassmen who registered May 18.

Designed as a wartime measure to speed up the training of technical students needed in the war effort, and to enable many men students to graduate before reaching draft age, the college's accelerated program has attracted 4000 students, including 3668 undergraduates and 332 graduate, special and transition students.

Summer semester freshmen from Warren county include Raymond W. Walchli, of Clarendon; Melvin C. Greenwald, 109 Willoughby avenue; John J. Latshaw, 517 Water street; and David C. Skillman, 222 Jefferson avenue.

DON'T SUFFER

If you are suffering from rectal irritations or the tortures of piles try Antiseptic SAN-CURA Ointment at once. J. R. Roebuck of Dearborn, Michigan, Cleveland writes, "Please send at once a large jar of SAN-CURA Ointment. It is wonderful for itching piles. Antiseptic SAN-CURA Ointment is no less wonderful for minor sores, cuts, bruises and skin irritations. 35c and 60c at drug stores. It is best to wash with SAN-CURA Soap before applying the Ointment 25c." (adv.)

LUDLOW

Ludlow, June 16—Those from Ludlow attending various meetings of the 83rd annual convention of the Augustana Synod of North America at Jamestown, N. Y., the past week were: Mr. and Mrs. Axel Nelson, and son Allen Nelson, Mrs. Alfred Johnson, Mr. and Mrs. Albert Bromstong, Mrs. Walter S. Cox, Edith Larson, Mrs. John L. Peterson, Mrs. Aaron Alfson, Mr. and Mrs. John G. Johnson, Adolph Johnson, Mr. and Mrs. G. A. Olson, Tillie and Gustav Olson, Mr. and Mrs. C. J. Anderson, Mrs. N. P. Peterson, Mr. and Mrs. C. W. Swanson, E. Wilbur Johnson.

Pastor O. B. Hanson, of Chicago, who had attended the convention at Jamestown, N. Y., preached a very inspiring sermon in Ludlow at the Moriah Lutheran church Sunday morning. He took as his theme "Attitude Toward Christ."

Stanley Carlson, justice of the peace at Ludlow, married his first couple Thursday afternoon at 3:00 o'clock. They were Chester Rembas and Ada Saunders, of Niagara Falls. Mrs. Stanley Carlson and Miss Alberta Carlson were witnesses.

A pleasant Wednesday was spent at the home of Mr. and Mrs. Olgier Wallin when a birthday family dinner was held honoring their daughter, Joyce Wallin, who was sixteen years of age. Miss Wallin received many nice gifts.

Mrs. Lawrence Olson and son Gail have been visiting for a few days with her husband, Lawrence Olson, in Blackstone, Va., where he is employed.

Mr. and Mrs. Herman Schultz and Mrs. Augusta Schultz, of Racine, Wisconsin, have been visiting this past week at the homes of Mr. and Mrs. J. S. Mattison and Mr. and Mrs. Axel K. Anderson. Mr. Schultz was sent as a delegate from the Lutheran church at Racine, Wisconsin, to the conven-
